## **LET IT GROW this No Mow May**

It's time for No Mow May and we'd love as many churches and households as possible to...... give lawnmowers a month off!!

You might be surprised what germinates in your lawn or church grounds by letting things grow. Clover seeds may already be present (they used to be in packets of lawn seed) and other seeds may get blown in or dropped by birds. Over the month (or two if you Let It Bloom June), plants that have been lying dormant have a chance to grow, bloom and make pollinators happy.

Let me share one wonderful photo sent by my son who lives in a built-up area of Huddersfield. This bird paid a visit to his back garden after spotting a rather plump and lazy wood pigeon. Nature is full of surprises!

# Rural & rooted - thriving small churches

This online webinar, happening on Tuesday 14 May at 7:30pm-8:30pm, is open to anyone from a small church or rural community looking for ways to be a church, even without a building. You will hear examples of using the Methodist Way of Life and explore how these commitments could be used in local contexts.
