30 YEARS OF FAIRTRADE

It's 30 years since the first Fairtrade certified products hit supermarket shelves. Since then, Fairtrade has not only pioneered a unique, more equitable way of doing trade, it has become the world's most recognised and trusted label. A global community of millions working towards more responsibly produced and fairly priced goods, as part of a fairer world. That includes some of our most loved brands of tea, coffee and chocolate, as well as more unusual – flowers, bedding, gold!

What can I do?

Choose Fairtrade

Seek out the logo above and if you can't find it in store, ask why, to show that there is a growing demand for Fairtrade products.

Become a Fairtrade church

Use Fairtrade products for your coffee mornings. All Coop own-brand teas and coffees are Fairtrade (other supermarkets are available and may stock Fairtrade products). Display Fairtrade posters. Show your care for social justice throughout the world.
